

Alpha Report

This report shows that the data does grow each year

The team notes steady gains in every quarter so far

More detail follows in the second part of this note

Readers should treat these numbers as a rough guide

A final line keeps this page above the minimum length

Beta Findings

This page covers the second half of the same study

The numbers here differ from the first page in part

Each row of the table lists a month and a count

Taken together the two pages tell a simple story

A final line keeps this page above the minimum length
